### Welcome

Our amazing purpose-built Nursery opened in 2011.

We have a team of passionate and caring staff who are committed to ensuring that all children succeed and do well.

Ofsted rated our nursery as 'Good' and quoted.

"Children make a good start to their learning in early years. They make strong progress in both the Nursery and Reception classes. Relationships are warm and caring, and this helps children to feel happy and safe. The indoor and outdoor areas are attractive and well organised. Children have many activities that stimulate their interests".

A parent recently quoted.

"Love the 'Whitley- on- Sea' idea, my son has been telling me all about it and the fun he's been having. Such an amazing nursery team-Thank you; I'll be putting my other son's name down this week for the spring 😊".
