

## WHITLEY PARK NURSERY AND PRIMARY SCHOOL

### Primary PE and Sport Grant Expenditure Report 2016/17

#### Overview of the school

<b>Number of pupils and Primary PE and Sport Grant (PPSG) received</b>	
Total number of pupils on roll Autumn 2016 (Aged 5-10)	510
PE Sport Grant Award Lump Sum	£8,000
Amount SG received per pupil	£5.00
<b>Total amount of PPSG received</b>	<b>£10,550</b>

Whitley Park Primary and Nursery School recognises the contribution of PE to health and well-being of our children. We also acknowledge that a broad, balanced, high quality curriculum and extra-curricular activities have a positive impact on concentration, attitude and achievement.

Our Specialist Sports Team is committed to ensuring that all of our pupils receive a minimum of 1.5 hours of PE per week. In addition to this we provide a wide range of morning and after school sports clubs, participate in competitions at local and county level and run a Sport Week every year in the Summer Term.

The government is providing funding for all primary schools in order to improve the quality of Sport and PE for all children. At Whitley Park we received £10,550 for the academic year 2016/17, this money can only be spent on sport and PE provision in our school.

## Measuring the impact of PPGG spending

- This report will be updated at the end of each academic year to identify the successes of the initiatives undertaken and the impact they have had.
- We will monitor the take up of extra -curricular activities
- Monitoring will include observations of teaching, drops ins to clubs run by school staff and outside agencies to ensure that provision is of a high quality

Evaluation of the impact of initiatives will inform future provision.

## Record of PPSG spending by item / project 2016/17

Item / Project	Cost	Broad Objectives
