

The Special Needs Co-ordinators (SENCoS) at Whitley Park Primary and Nursery School are Julie Rivers and Deb Wilton.

Julie is a fully qualified teacher who enjoyed many years teaching in Early Years and Key Stage 1, before taking the decision to pursue her interest in special educational needs. Julie completed the Government's SENCo accreditation qualification in 2011. She works full time at Whitley Park Primary and Nursery School.

Deb is a fully qualified teacher who has taught children with a variety of special educational needs at Primary and Secondary school. Deb has a part time position at Whitley Park Primary and Nursery.

We have an open door policy in school and welcome discussions about your thoughts on the provision offered for our pupils with special educational needs and disabilities. We're available in the mornings during meet and greet time if you want to pass on information or a quick chat about your child. Alternatively, we are also available for longer appointments which can be made through the school office or email.

It is our passion to ensure that children with special educational needs or disabilities achieve their full potential in all areas of the curriculum and your child's happiness and achievement is of great importance to us. We look forward to meeting you. To find out more have a look at our one page profiles. These profiles are something that we are now putting in place for many of our children with special educational needs or disabilities.
