

## CHILDREN AND FAMILY WORKER

My name is Sarah Rooke and I am the Children and Family Worker at Whitley Park.

I am lucky to share my office with Buzz, our School therapy dog.

My role includes:

- Spending time with children and gaining their wishes and feelings.
- Running a school community food bank.
- Attending meetings with outside agencies who are working with a family.
- Making referrals for families to gain the correct support.
- Signposting to local charities and organisations.
- Linking parents up for peer support.
- Inviting outside agencies into Schools to run workshops, courses or events.

I also run regular groups for parents, which are regularly advertised through the school mailing system or our facebook page.

I am always keen to meet new parents and carers of our children at Whitley Park and would love you to introduce yourself to me and give me your ideas for supporting families here in our School Community. Thank you
