Science

Biology: Animals including humans (human body and the senses).

We will be able to name the five senses and the body part associated with each sense.

We will conduct experiments to explore the senses and how we use them in the world around us.

Writing

We will be undertaking the Read Write Inc. 'Get Writing' project which applies step-by-step guidance to help children move from writing simple sentences to extended texts such as invitations, letters, descriptive texts and non-fiction texts whilst incorporating a range of composition, grammar and spelling activities.

Reading

We will continue learning our phonics sounds in targeted, daily teaching sessions.

Please continue to read daily at home, new books will be allocated weekly.

RE –

Christianity

- The Christmas Story.
- Question: What gift would I have given if Jesus had been born in my town and not Bethlehem?

RSHE/PSHE

Jigsaw – Celebrating Difference

Topic – Into the Woods

Big questions

- Where will we find woodlands?
- What types of animals live in woodland, and how do they survive there?

PE

- Fitness – We will be able to describe how our body feels before, during and after exercise.
- We can carry and place equipment safely.

History

- We will explore changes in recent history and identify simple differences between the past and present.

Art

Create artwork inspired by woodland animals using drawing, painting and sculpture.

DT

Apply our knowledge of mechanisms and levers to make a moving Christmas card.

Computing

We will explore the every day technology around us in the form of computing systems and networks.
