### Science

#### Biology: Animals including humans (vertebrates).

We will be able identify and classify a variety of common animals including birds, mammals, fish, reptiles and amphibians.

We will understand the difference between vertebrate and invertebrate species.

### Writing

#### Cave Baby and Astro Girl

**Theme:** Journeys and Exploration

We will be writing our own labels and captions around a theme and will write a cave-related informal letter.

We will write a fact file about being an astronaut.

### Reading

We will continue learning our phonics sounds in targeted, daily teaching sessions.

Please continue to read daily at home, new books will be allocated weekly.

### RE –

#### Christianity

- The Creation Story.
- Question: Does God want Christians to look after the world?

#### RSHE/PSHE

**Jigsaw** – Being Me in My World.

### Topic – Into the Woods

#### Big questions

- Where will we find woodlands?
- What types of animals live in woodland, and how do they survive there?

#### PE

- Gymnastics – moving safely, holding shapes and balances, carry out simple gymnastic sequences.

#### Geography

- Explore and identify human and physical features.
- Compare the local area to a woodland.

#### Art

Create artwork inspired by woodland animals using drawing, painting and sculpture.

#### DT

Apply our knowledge of mechanisms and levers to make a moving Christmas card.

#### Computing

We will explore the every day technology around us in the form of computing systems and networks.
