## Spanish

This unit will focus on hobbies and free time.

## PSHE

Changing me – looking at self-image, puberty, boyfriends and girlfriends, babies, friendship and the year ahead.

## PE

Rounders, basketball and cricket.

## Art

Painting Greek Gods and creating Greek urns using clay.

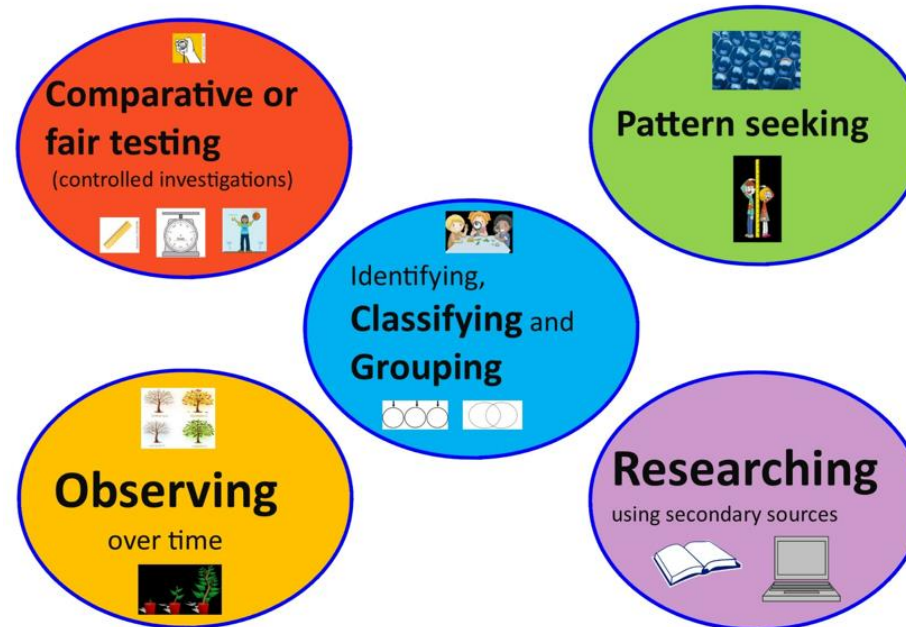

# Year 6 Summer 2 Curriculum Map

## Science

### What Light Does:

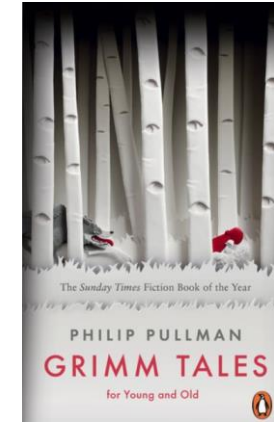

- Recognise that light appears to travel in straight lines.
- Use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye.
- Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes.
- Use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.

## History

Ancient Greece – learning about democracy, Greek city states including Athens and Sparta, the Olympics, Greek Gods and famous battles and wars.

## Writing

### Grimm Tales by Philip Pullman

#### Theme:

Fate versus free will.

The children will be writing their own traditional tale using ideas and themes from the book. During the unit, they will practise retelling the story from different viewpoints, using dialogue to convey character and move the action forward and analyse the different stories.

## Reading

This term we will be focusing on developing our vocabulary knowledge, learning the themes and conventions of traditional tales and comparing texts in order to hold our own “Book Oscars”!
