D&T

This unit will focus on sewing. The children will be creating their own fabric advent calendar.

PSHE

Celebrating Differences – this topic covers understanding differences, considering what is “normal”, power struggles, bullying and celebrating individual and cultural differences.

PE

Fitness and gymnastic – the children will be working on a range of fine and gross motor skills.

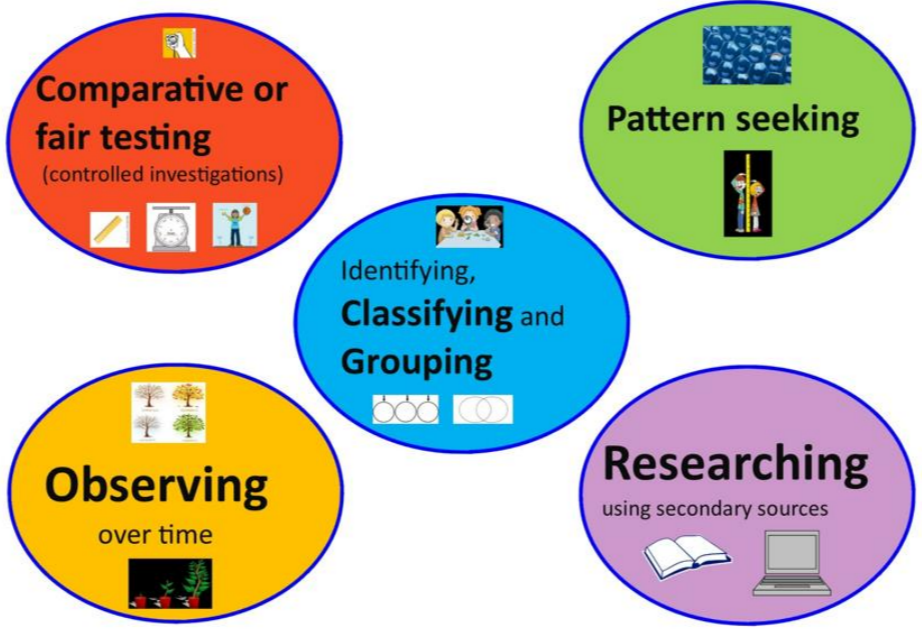

Computing

Children will be learning about what makes a good webpage, before building their own.

Science

Evolution and Inheritance:

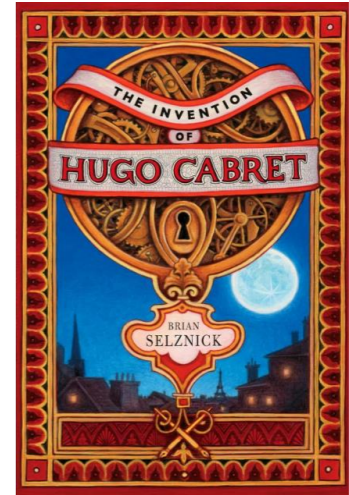

- Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.
- Recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents
- Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution

History

World War II – this term the children will be learning what life was like for children during WWII. They will cover the Blitz, evacuation and what life was like after the war ended.

Writing

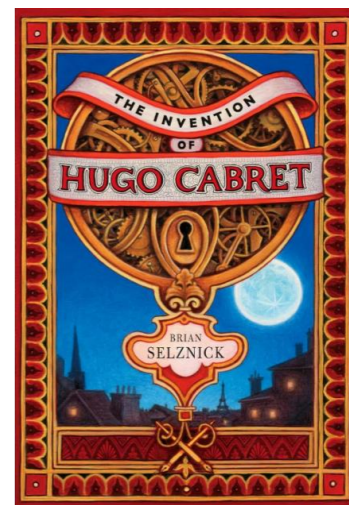

The Invention of Hugo Cabret by Brian Selznick

Theme:

Journeys, migration and inspiration.

This unit will focus on a range of writing styles including dialogue, narratives and film reviews. The children will finish the unit by writing a biography of Georges Méliès.

Reading
